

Geography – The Maldives

Map skills

Locate the countries in Asia on a World Map.

Creative

Create a model of a Maldivian atoll. (Tip: label the reef, island or chain of islands etc.)

Research

Find out which flora and fauna are native to the Maldives.

Comparison

Compare the physical and human features of the Maldives and the UK.

Writing

Create a holiday leaflet about what the Maldives has to offer.

Practical

Make a traditional Maldivian dish.
